DOE REVIEW COMPLETED

Colonel Earl McFarland, Jr., USAF
Chairman, GMIC
Room 2A-270, Pentagon
Washington 25, D. C.

Dear Colonel McFarland:

In response to the request made in your memorandum of September 18, 1958, subject "Interchange of Information and Research Programs," I wish to advise you that the Division of Intelligence of the Atomic Energy Commission has no contracts with research groups or outside contractors for work related to guided missile programs or intelligence.

Sincerely yours,

Milton E. Jenkins
Deputy Director
Division of Intelligence
